As a Preschool, Moulton Preschool is a "data controller". This means that we are responsible for deciding how we hold and use personal information about You. We are required under data protection legislation to notify You of the information contained in this privacy notice.

This notice applies to Employees, Children and Parents. This notice does not form part of any contract of employment or other contract to provide services. We may update this notice at any time but if we do so, we will provide You with an updated copy of this notice as soon as reasonably practical.

It is important that Employees, Children and Parents read and retain this notice, together with any other privacy notice we may provide on specific occasions when we are collecting or processing personal information about You, so that You are aware of how and why we are using such information and what Your rights are under the data protection legislation.

3. Relevant to the purposes we have told You about and limited only to those purposes.
4. Accurate and kept up to date.

6. Kept securely, safe from unauthorised access, accidental loss or destruction.

NOTIFICATION TO THE INFORMATION COMMISSIONERS OFFICE (ICO)

Moulton Preschool has notified the Information Commissioner that it is a data controller and/or processor and that it processes personal data. Moulton Preschool has identified and recorded all the personal data that it processes in the Data Register.

INFORMATION

The policy applies to all Employees and Processors of the Preschool such as outsourced suppliers. Any breach of the GDPR will be considered as a breach of the disciplinary policy and could also be considered a criminal offence, potentially resulting in prosecution.

All third parties working with or for Moulton Preschool, and who have or may have access to personal information, will be expected to comply with this policy.

GDPR will apply to all controllers that are established in the EU (European Union) who process the personal data of data subjects, in the context of that establishment. It will also apply to controllers outside of the EU that process personal data to offer goods and services or monitor the behaviour of data subjects who are resident in the EU.

KEY DEFINITIONS

Personal data – this is defined as any information relating to an identified or identifiable natural person ('data subject'); an identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person.

Special categories of personal data – personal data revealing racial or ethnic origin, political opinions, religious or philosophical beliefs, or trade-union membership, and the processing of genetic data, biometric data for uniquely identifying a natural person, data concerning health or data concerning a natural person's sex life or sexual orientation.

In limited circumstances, we may approach Employees for their written consent to allow us to process certain particularly sensitive data. If we do so, we will provide Employees with full details of the information that we would like and the reason we need it, so that Employees can carefully consider whether they wish to consent. Employees should be aware that it is not a condition of their contract with the nursery that they agree to any request for consent from us.
